

## Introducing CMLS Smart Cash Mortgage.

It's Money in Your Client's Pocket.

### Does your client need cash for renovations, the purchase of new appliances, investment contributions, or to paydown debts?

CMLS Financials' Smart Cash Mortgage provides a potential solution. Our Smart Cash Mortgage offers from 1% to 5% of the mortgage amount and is available for insured or insurable purchase and transfer transactions.

### It's as Easy as 1, 2, 3, or Even 5%

It's simple, pick the percentage of cash back you need, submit your application to CMLS Financial, and when the mortgage advances your client will receive their cash back.
