

Online account management with our customer portal

Now your customers, who register for the CMLS Customer Portal, can manage their mortgage at home, at work, or even on the go from their tablet or smartphone.

With our customer portal, your customers can:

- Check their account balance
- · Request prepayments and payment changes
- · View an annual summary of their account

- Upload servicing documents even pictures of their property tax bills
- · Submit a question directly to a Mortgage Account Specialist
- And more

Registering is as easy as

Visit cmls.ca and click on the customer portal register banner to go to the registration page.

Complete the account registration form.

Done!

Here's what's involved:

- Enter their fi rst name only (as it appears on correspondence from us)
- b. Enter their email address (as on file)
- Enter their birth date in the format requested by your device browser
- d. Enter the last 4 digits of their preauthorized chequing account, from which their regular mortgage payment is taken
- e. Create a unique password

Note

Your clients will need to enter the email address we have on file. If they do not know what email address we have on file, or if they never submitted an email address with their mortgage application, they can call our customer contact centre at 1.888.995.2657. If there is more than one borrower on the account, each account holder will need to enter with their own unique email address to register for the customer portal.

All the information and tools they need are now a click away
